

Attention: Parents, Grandparents and Community Members

Two great new Facebook sites to check out!

<https://www.facebook.com/groups/WHParents4Prevention>

Warren Hills Parents for Prevention Group, a component of the Warren Hills Community Coalition. We are a group of parents, guardians, caregivers and concerned citizens that are passionate about protecting our young people from the dangers of drugs and alcohol within the Warren Hills Region.

<https://www.facebook.com/WarrenHillsCC/>

The Warren Hills Community Coalition is comprised of local schools, businesses, social services organizations, youth organizations, law enforcement, local government representatives, parents and youth. Each individual on the coalition supports the mission of protecting youth from substance use and abuse and has a passion for creating environmental changes to support a healthy and safe community for our youth to grow and develop.
