

Warren County Prevention Hub & Warm Line

Please share this information with all of your Countywide contacts!

Hello Prevention & Coalition Partners-

Prevention Connections is proud to announce that the Warren County Prevention Hub webpage: <https://preventionconnections.fgcwc.org/prevention-hub/> (copy and paste into your browser) is now live and created as an access point for Warren County residents to locate substance use treatment resources, mental health assessments/screenings and prevention programs.

Our Warm Line- 908.689.1000, is a connection point for youth and families as well as information and referral resources for those in need of assistance with navigating local and state family support services being offered by the Prevention Hub and Prevention Connections.

Trained staff are available weekdays from 9am to 5pm to connect Warren County residents to local and statewide resources and other supportive services.

The Warren County Prevention Hub is one of the 21 statewide prevention hubs that can connect residents and professionals to substance use prevention programs and resources. Use this link: <https://www.njpreventionhub.org/> (copy and paste into your browser) to find a Prevention Hub and Warm Line in your County!
