ATTENTION RESIDENTS

SUSSEX-WARREN AREA ENERGY COOPERATIVE(SWAEC) INVITATION FOR RENEWAL

RESIDENTS

Township of Oxford is up for renewal with SWAEC. We are asking the residents by either emailing the Township Clerk or attending our next committee meetings to voice their concerns about this contract to help with the aid of the Township of Oxford's decision by April 3, 2026.

Please join us at our next Meeting on April 1, 2026 at 6:30pm

Information from SWAEC:

The savings to date for the SWAEC is \$3,310,756 (4/1/2017 thru 12/31/2025), and the savings to date for Oxford Township residents has been \$112,678 (2/1/2018 thru 12/31/2025). With regard to options for the SWAEC GEA Program in 2026, the cooperative can 1) ask the current energy supplier, Constellation NewEnergy, Inc., for extension pricing beyond the current contract end date of November 2026, and 2) hold a new auction for the GEA program. As you know, extension pricing must be lower than the BGS-RSCP price-to-compare in order to be considered/accepted, and the same is true for bids submitted at a new auction.
